## Conditions of Sale

1. All bids to be **PER LOT**, unless otherwise stated in the Catalogue.

2. The highest bidder to be the buyer; in all cases of disputed bids the lot shall be resold, but the Auctioneer will use his judgment as to the good faith of all claims and his decision shall be final.

3. Buyers to give their names and addresses and to make such cash payments on account as may be required, in default of which the lots purchased to be immediately resold.

4. **Goods bought to be removed at the close of sale.** If not so removed they will be at the sole risk of the purchaser and this Company will not be responsible if such goods are lost, stolen, damaged, or destroyed.

5. **Terms Cash.** If accounts are not paid at the conclusion of Sale, or, in the case of absent buyers, when bills are rendered, this Company reserves the right to dispose of the goods without notice to the defaulting buyer, and all costs of such resale will be charged to the defaulter. This condition is without prejudice to the rights of the Company to enforce the sale contract and collect the amount due without such resale at its own option. **Accounts remaining unsettled after thirty days from date of sale will be charged at the rate of six per cent. from date of sale.**

6. This catalogue has been compiled by a competent expert; and while he has endeavored to describe the various pieces offered with the strictest accuracy, they will be sold just as they are.

**GOODS TO BE ON VIEW FOUR DAYS  
BEFORE THE SALE.**

Priced Copies of this catalogue will be furnished at \$1.50 each.
